UGC Networking Resource Centre

**“Workshop on Development of Concepts in Modern Biology”**  
**February 6<sup>th</sup> - 9<sup>th</sup>, 2012**

The School of Life Sciences, JNU is organizing a workshop on “*Development of Concepts in Modern Biology*” from February 6<sup>th</sup>–9<sup>th</sup>, 2012 under “UGC Networking Resource Centre”. The workshop is aimed at enhancing knowledge about the recent advancements in areas of modern biology and also intends to help college/university teachers to develop an independent aptitude for research. The workshop includes an interaction based hands-on training for developing and writing research grant proposals for funding.

We solicit applications from College/University teachers having Ph.D. degree in any area of biological sciences or allied subjects with less than 10 years teaching experience. Considering a nationwide regional representation, twenty participants will be selected, preferably from the institutions/states lacking adequate research facilities.

All participants will be provided travel support [to and fro AC II tier train fare (Air fare is strictly not reimbursable)] and on-campus stay from February 5<sup>th</sup> – 10<sup>th</sup>, 2012.

The application forwarded through proper channel along with biodata in detail should reach the office of the Dean, SLS, JNU, New Delhi by **December 31<sup>st</sup>, 2011**. Soft copy of the application (as an advance copy) can also be sent through e-mail.

Please write on the envelop “Application for the UGC Networking Resource Program”
